Arthur C. Wyman,
Assistant to the Curator,
American Numismatic Society
New York City.

Dear Sir: —

The information you gave
me in your letter of July
second was very interesting.
I thank you. I received it
just as I was starting for the
Pier for my vacation or I
would have written you
sooner.

I have no desire to sell
the collection I have but
I do hope to find out all
about them. I do not

think I will be in New York
before the last of this Month
or the first of next. When I
go I want to visit your
museum and learn what
I can.

Would it be advisable
to make an appointment
with some one before hand,
or will there be some one there
anytime I might come who
could tell me about my coins
if I should bring them?

I trust that I am not
troubling you too much.

Very sincerely
(Miss) Mayorie Borton

Dear Madam:-

Your favor just at hand, and in the absence of Mr. Wyman who is in Europe I am answering your letter. The writer will be in the Museum any day between 9 - 12 and 2 - 5 except the first two weeks in October. It would be just as well if you call up (Audubon 2484) before taking the time to come up here.

Yours very truly,

Curator.
